

Week Two June 25th – June 29th

Monday

- Interview meeting with ODLI1
- Research on other Open Data programs around the nation.
- Meet with David Doyle and discuss status of the project

Tuesday

- Interview meeting with ODLI2
- Reach out to ODLI1 about checklist.
- Research community usage of open data with a focus on public records.

Wednesday

- Begin to consolidate interview responses
- Begin to roughly structure final charter (guidebook?)
- Finish reading through Seattle Open Data literature.
- Research open data portals in other cities/states.

Thursday

- Interview meeting with ODLI3 and ODLI4
- Reach out to past members of the Open Data Alliance for interviews
- Meeting with David Doyle to discuss status of project before departure

Friday

- Interview meeting with ODLI5 and ODLI6.
- Try to access Seattle GovQA database
- Design-thinking clustering of interviews
- Confirm trip to Olympia to visit ODLI7 and Will Saunders for ODA meeting planning.
